Today's Message: **Do You Wanna Get Full?**

Psalm 16:1-11

The Psalmist David is gonna lay out for us HOW TO GET FULL!
David says; *God's gonna teach us like God taught him*. This particular psalm is called a "Mich-tam". There are six "Mich-tams". A "Mich-tam" was written during a period of intense personal crisis, danger, or warfare. During this period of intense personal crisis, there would be this shift from deep fear, into a strong expression of trust and confidence in God".
This Hebrew word "Mich-tam" actually means *an engraving or inscription that was permanently stamped on a writing that was worthy of preservation. It was also used of a golden or precious song.*
