

## **Church Rental Policy**

At Good Shepherd Baptist Church, our programs, policies, and procedures are designated to help us effectively represent Jesus Christ in our community, and to reach out to the world with the Gospel message of Jesus Christ until His return. Usage of this facility will be granted or denied by the church based on whether or not the event and/or speaker is in line with the church's purpose, statement of faith, and if the nature of the event upholds the reputation of the church. Please note that the church has the final authority to accept or deny usage of our facility without cause. However, contributing factors such as date of request, regular programming of the church, special seasonal celebrations, and other programming organized by this church and its ministries will receive first priority. At this time, the church is not available for outside conferences, workshops, etc. unless otherwise noted and approved by the Good Shepherd Baptist Church Executive Board.
