

Dear Church Family,

Thank you for your continued support, prayers, and patience during this unprecedented time.

Little did we realize how long this process would take when we ceased our regular church services and ministry activities. As you can imagine, the task of opening our church for services once again will take a lot more thought than just closing things down for a while.

Enclosed, you will find the plan we will implement here at Good Shepherd Baptist Church. We understand that several things will be different than before, but we trust and pray any changes will be temporary.

Our desire from the very beginning has been the health and safety of our members and attendees. This desire will continue to be the case as we move forward.

Of course, opinions are numerous on the best approach for this, and while a certain set of procedures work in some churches, there is no guarantee it will work for us. We appreciate your prayers for all of us in leadership that we will be led by faith and not fear as we go through the process of opening our doors.

As we begin to implement this plan here at Good Shepherd Baptist Church, we would prayerfully make one main request. We want to encourage each member to be filled with grace toward others. For some, coming back to church at this time is not an option, but for others it may be a lifeline.

While we may have some challenges ahead, we are up to the task, because as believers, we must always show the love of Christ who dwells within us.

Romans 12:10 (NKJV) Be kindly affectionate to one another with brotherly love, in honor giving preference to one another;

We want this time to be a tremendous witness to the world of how things can be accomplished while seasoned with the grace God gives to the believers.

Please take time to read our enclosed guidelines.

Good Shepherd Baptist Church will reopen on Sunday, May 30, 2021. The worship service will begin at 10:00 a.m. for approximately one hour and live streamed as normal. The order of service will be exactly as seen during our current live streamed service. Please be advised, that in order to seat you properly in preparation for the service, seating times are from 9:00 a.m. to 9:45 a.m. No one will be allowed in the building after 9:45 a.m. We thank you in advance for your cooperation.
