Asking For Help

Acts 8:31 *"...and he desired (asked) Philip that he would come up and sit with him."*

Are you, am I willing to do what this Ethiopian eunuch does here in this verse. He invited this evangelist named Philip into his chariot to explain to him what was perplexing to him.

Notice this eunuch was willing to acknowledge that there was something he didn't know; that he needed help.

There are so many things that this eunuch does that we need to do in our own lives.

- This eunuch was honest with himself.
- This eunuch was transparent.
- This eunuch had a hunger for the truth, so he invited the one who knew the truth to teach him the truth.

Now Philip does something that every teacher of the Word of God should desire to do. He seized the opportunity to present the GOOD NEWS of Jesus to this man who was seeking, searching for the truth.

Saints, what we don't know, ask God to send a godly teacher into our life who will teach us what we don't know and need to know from HIS WORD. That's what Philip, the teacher did. He opened up the Word of God and taught this man what; **THUS SAITH THE LORD!** God will provide the help. **ASK HIM!**
