What Did The Search Reveal?

Psalm 139:23-24 - "Search me, O God, and know my heart: try me, and know my thoughts: And see if there be any wicked way in me, and lead me in the way everlasting."

In this Psalm David is acknowledging that the all-knowing, all-powerful, everywhere present God knows every detail of his life. As a matter of fact, David said God knew his thoughts even before he thought them.

With those truths in mind, David breaks out in praise and then offers this prayer. David says "Lord search my heart, tell me what's in there and then lead me in the right path."

Today, when we have a question, we use the Google search engine. Saints, you and I have someone greater, mightier to search for us. HE is the Holy Spirit of God. Have you asked the Lord lately to search your heart? If so, what did the search reveal? What did you do with the information that was revealed?

Saints, start today, right now. Ask the Lord to search your heart. HE will reveal to you what Google will never be able reveal.
