### Wisdom Of The Week What Should We Be Wrestling With?

Matthew 6:33

*Seek ye first the Kingdom of God...*

That's the most important issue with which we should be wrestling with. ***Seeking the Kingdom of God is the saint's highest priority.***

If we read these verses here in Matthew 6, we will discover that the Lord is commanding us to be continually occupied with the things of God. Those who do, the Master, the Lord Jesus, promises to take care of their ordinary needs in life, such as food, clothing and shelter.

Jesus told HIS disciples and us not to worry about these things for life is more important than these things. Unlike the Pharisees, who in their pursuit of material things, never learned to live by faith.

Jesus cited several illustrations to prove HIS point. The birds of the air are fed by the heavenly Father, and the lilies of the field grow in such a way that their splendor is greater than even Solomon's.

Our Lord isn't saying that food and clothing and shelter isn't important. Quite the opposite. HE is saying HE knows that we have need of these things. HE will supply these things, these needs, in HIS timing. So, let's you I and wrestle in prayer to seek the answer to the question that the Apostle Paul asked; ***Lord, what will thou have me to do.***
