### Wisdom Of The Week Don't Ignore What You See!

James 1:23-24 For if any be hearer of the WORD, and not a doer, he is like unto a man beholding his natural face in a glass:  
For he beholdeth himself, and goeth his way, and straightway forgetteth what manner of man he was.

The Scripture is addressing the one who listens and does nothing is like a man who glances at his face in a mirror and then forget what he saw.

It's only appropriate that on this day that we celebrate fathers, that we look at these two verses. *Isn't it interesting that the writer James cites a man in this illustration.* It's highly unlikely that a woman will ignore an imperfection that she sees in a mirror. Saints, we are obligated, commanded to look into the mirror of the Word of God. That word **looketh** in **verse 25** is the key. *"It means to look intently; to stoop down in order to have a good close look."*

So, saints, after we look into the bathroom mirror each morning and address what we see, let's look into the mirror of the Word of God and see what's in our life that shouldn't be there, or what's not in our life that should be there. **DON'T IGNORE WHAT THE WORD REVEALS!** Confess it in prayer; ask the Lord to help you remove it; or put something in us that isn't there, but should be there. **Let's "LOOK LIKE CHRIST"!**
