Wisdom Of The Week From Why To Who!

Job 3:11 **Why** died I not from the womb?

This word “*why*” occurs 24 times in the Book of Job, as this man Job grapples with affliction after affliction. In Job 7:11 Job asked the LORD; “**Why have YOU made me your target**”.

It’s amazing how many people in the Bible asked the question; WHY? As a matter of fact, if you trace that word WHY? in a concordance, you will be amazed at how many times it is found.

Remember, even our Lord asked WHY? (**Matthew 27:46**).

Saints, at some point, we’ve got to move from **WHY?** to **WHO?** as in **WHO LOVES US?**

It is possible to worship the Lord even when we don’t have all the answers. We live by promises, after all, not by explanations.

Saints, sometimes we’re in green pastures; other times we are in the valley of the shadow of death.

The GREAT TRUTH is that in both cases, our Shepherd is before us and with us and HIS goodness and mercy are following us.

Faith is keeping our eyes on Jesus regardless of the storms and shadows. It is being fully persuaded that God has the power to do what HE has promised. Let’s lift our voices in praise even when our spirits are low.

Do you have an unanswered question in your life today? Trust God with your WHYS and focus on the WHO.
