Today's Message **It's Too Late! Or Is It?**

Luke 8:49-56

There are a lot of *twists and turns* in this chapter. There is this man who is *acting like he's dead*; then there is this woman, who, for all intent and purpose, is *on her way to dying*; and then, there is this little girl who *is already dead*.

Our Lord is gonna demonstrate HIS power over a storm; HIS power over Satan; HIS power over sickness.

In other words, our Lord has power over disaster; power over demons; power over disease power over doubt and power over death.
