Today's Message **WHEN THE WORD GETS OUT !**

(Make Way For A Miracle)

Mark 2:1-12

This series of sermons have been focusing on men & women whose lives have been changed by the Lord Jesus. *To what length will our Lord go to change a life ? Well let's examine this text and get the answer. Everything takes place in and outside a house.*

We must begin by looking at:

1. The **One IN** This House

Then we see:

2. This **Opportunity In** This House

Then there is:

3. This **One Outside** This House

Then there were:

4. These **Obstacles Outside** This House

Now we see:

5. This **Opening In** This House

There is:

6. This **Observation In** This House

We can't help but notice:

7. The **Offended In** This House

Finally, we see:

8. The **Overcomer In** This House
