### Wisdom Of The Week

What's In Your Heart?

Luke 2:19

**But Mary kept all these things, and pondered them in her heart.**

What Mary **heard**; what Mary **was experiencing** wasn't just a momentary passing thing. She consciously began to really think about what had happened. It didn't just remain on the surface of her mind. She made a personal, conscious decision that she would keep on thinking about what she had just heard and experienced from the Lord. Please note that what Mary experienced was produced by the Word of God.

**Saints, our experiences must be validated by the Word of God.**

In other words, the changes in my life came about **after** carefully reflecting on, pondering what God said in HIS WORD.

It's critically important that we understand what this word "**heart**" in this verse is referring too. It **is not** referring to that physical organ in our body. Put simply, the heart here in this verse is referring to the **inner self**; the **control center**; the **source of every thought**; and **the place where decisions are made**.

Here is a simple and powerful prayer; "*Lord cause what I'm continually reading in YOUR Word to sink in and reach my very heart, the very core of my being and cause me to say YES! to **Your** will and **Your** way.*"

God will answer this prayer in HIS time and we will discover, that the changes that are produced in our lives are consistent with the plans and purposes of God"

So, when it comes to God's WORD, we will become like Mary, **People Who Ponder God's Word.**

Let's ask ourselves; **What's In My Heart?**
