Wisdom Of The Week Are You Thirsty?

Psalm 63:1

O God, thou art my God; early will I seek thee: my soul thirsteth for thee, my flesh longeth for thee in a dry and thirsty land, where no water is.

Thirst is an experience, a feeling we've all experienced.

This is the third installment of us considering the importance of carefully thinking about, reflecting on, meditating in the Word of God.

What we have here is a man, a saint whose soul is thirsty for intimacy with God. Here's an amazing miracle. The Psalmist has this overwhelming desire to spend time in communion, in fellowship with his God. This desire is so great that it's the first action he takes each morning. Are you ready for this wonderful, life-changing truth? You say yes; well, here it is.

The desire, the thirst to commune with God, comes from, is produced by the Word.

When we drink water, it quenches our thirst.

However, when it comes to the Word of God, something truly remarkable happens that only the Word of God does.

The Word of God produces this thirst. The more we drink of HIS WORD, the more thirsty, not less thirsty we become.

So, here's our prayer "*Lord, make me thirsty for YOUR WORD*".

Now saints, if we consistently ask the Lord to do this, HE will.

But, get ready. Because this THIRST WILL NEVER BE QUENCHED! The more you drink of HIS WORD, the more you will desire to drink.

Let's begin today to drink from the UNQUENCHABLE WORD OF GOD! **As we do, we will cry out like the Psalmist; I'm Thirsty!**
