Today's Message **Can I Change My Mind?**
2 Kings 7:1-20

I guess we really never totally forget our past. By that I mean the title of the message is the name of a popular song written in 1969

Actually, the title of that song is kind of appropriate for this text this morning.

This is the 9th message in the Sermon Series entitled “**Changed Lives**”

So far, we’ve been considering primarily how God changed men & women lives physically.

However, today’s message will demonstrate that our God is indeed what the saints of old called HIM; “*The Mind Regulator*”
