Today's Message: **It Will Be Worth It All**
1 Corinthians 15:50-58

It stands as one of the greatest chapters in the Bible. It presents the greatest miracle; the greatest message this world will ever hear and need; **the Death, Burial, and Resurrection of Jesus Christ.**

Today, we've come to celebrate the labor of love of God's faithful servants, Ushers. Ushers, Nurses while your service to the Lord is mostly seen and not heard, yet it is just as powerful and impactful as the preaching and teaching and praising ministries in the local church. I, along with the members and friends of Good Shepherd Baptist Church, would like to commend you Ushers for your pleasant smiles, your warm welcome, and for faithfully helping to maintain order in the services here at Good Shepherd Baptist Church. And Nurses, I can personally attest to your attentiveness to the health and wellbeing of the saints and friends of Good Shepherd Baptist Church. I call you the "Refresher Servants".

Ushers, Nurses, now more than ever, You and I need to be reminded that: **IT WILL BE WORTH IT ALL!**

4. Sure Future
