Philippians 1:1-14

Sermon Intro

It was on Paul's Second Missionary Journey that he visited Philippi.
Though many exhortations and challenges are given, one major theme or emphasis is set forth in this epistle; *"living the Christian life."*
Paul emphasized the need for believers to rejoice in Christ.
Joy is used **4** times **(1:4; 1:25; 2:2; 4:1).**
Rejoice occurs **8** times in this epistle.
Together, you and I will see that JOY is "An **In**side Job."

1. There Is The **Where** **"In"** The Christian Life.

2. There Is The **Why** **"In"** The Christian Life.

3. There Is The **What** **"In"** The Christian Life.

4. There Is The **How** **"In"** The Christian Life.

5. There Is The **When** **"In"** The Christian Life.

6. Finally, There Is The **How Long** **"In"** The Christian Life.
